

## Questions For Discussion

- *Go around the room and tell everyone how long you have attended Hope Lowertown, and what events/classes/ministries you have been blessed by the most and why. (If you can't think of anything – or you are new – think about how you have been blessed by Christians in the church in general).*
- *We all have been blessed by people in the past, how does knowing what others have done for you motivate you to do the same?*
- *When we look at Jesus asking us “who was a neighbor” – who are some specific people (Friends, family, group/s) that you would like to personally get more involved with? If there is good dialogue around this question, feel free to share that with Pastor Brian.*
- *What are some ways we need to repent of not viewing others as our neighbors – individually and corporately. Know that Jesus forgives, and wants us to run to him, and treat others the way he treats us.*
