

## Questions For Discussion

- *Have you heard of the Descriptive vs Prescriptive reading of the Bible before? How is this helpful? How can this be harmful, (Maybe you have some examples to share), where a narrative that was describing events were used as a prescriptive, "Thus sayeth the Lord..."?*
- *There are lots of different ways to "do" church. This isn't a time to bash other believers at all, rather, what are some advantages other churches that do things differently might be able to offer that our church can't? What are some advantages of Hope Lowertown?*
- *I didn't have time for this quote on Sunday. But F.F. Bruce states, "Those of Peter's hearers, accordingly, who believed his message were baptized, some three thousand in all. Through the apostolic witness Jesus thus acquired more followers in one day than in the whole of his public ministry. No wonder that, according to the Fourth Evangelist [John], he told his disciples that, as a result of his returning to the Father, they would perform greater works than they had ever seen him do (John 14:12)." How does that statement land with you? The fact that the apostles seemed to reach more people after Jesus left.*
- *Is there anyone in you small group who is needed help right now and you don't know about it? Now would be a good time to share your struggles with the group if there is something you would like to share*
- *As mentioned in the Gospel Application - Is there anyone who could walk through those doors who you would have a hard time welcoming into our fellowship?*
